To Whom It May Concern:

CC Docket No. 02-6

This is an appeal for Application Number 341856, for Funding Request Number 925557, and for Funding Year 2003-2004.

1. Name and information of person making request
  - a. Jeanene Barnett
  - b. 134 W. 9<sup>th</sup> Street, Bristow, OK 74010
  - c. 918-367-5555 (phone)
  - d. 918-367-5848 (fax)
  - e. [jbarnett@bristow.k12.ok.us](mailto:jbarnett@bristow.k12.ok.us)
2. This is an appeal for the Administrator's Decision Letter dated December 8, 2004.
  - a. Funding Request Number 925557
  - b. Form 471 Application Number 341856
  - c. Billed Entity Number 140043
3. This is an appeal to the following statement: Your request was dated after the deadline established for the receipt of SPIN Change requests for the pertinent funding year. Therefore, your request is being denied.
  - a. Until the email that I received on October 15, 2004, I was not aware that the vendor, AT&T Wireless, had made a global SPIN change to incorporate all SPIN numbers into a single number. Because I was unaware, I was unable to complete the SPIN change before the deadline.
  - b. The AT&T Wireless coordinator, Heather Youskauskas, informed me today (December 20, 2004) that this global SPIN change was not requested by AT&T until October, 2004 and was not completed and processed until the week of December 13. Also, SLD is processing other schools in similar situations and have paid their BEAR requests.

For the reasons stated in number 3 above, I ask that you please reconsider your denial of my SPIN change request application.

Sincerely,

  
Jeanene Barnett, Ed.D.  
Director of Instruction
